

Emerson Exchange EMEA

Feb 27th–29th 2024

THE EMEA BIGGEST EVENT IN THE AUTOMATION INDUSTRY

Experience how we transform the
Way Valves Interact with the World

Get Inspired

Learn from your peers;
case studies on some
of the most challenging
automation projects.

Get Updated

Test drive the latest
technologies & meet
experts in the
5000m² EXPO.

Get Trained

Boost your career
by developing your
skills with certificated
courses.

EXPLORE. ENGAGE. EVOLVE.

Convention Center Düsseldorf, Germany

[REGISTER NOW >](#)

Presentations

- 36 Users, EPCs and OEMs Presentations
- 12 User Cases from Emerson
- Top 3 Topics: Sustainability, Lifecycle Services, Valves Innovation
- Shell | IOGP | Tesla | SNAM | SABIC | GE

Other Sessions

- 5 Roadmaps covering the Latest and Future Valves, Regulators and Actuators Innovations
- 10+ Industry & Technology Forums
- 5+ Industry & Technology Talks
- 4 Hands-on Training Sessions on Control & Isolation Valves, Actuators

Exposition

- 80+ Valves, Regulators & Actuators Demos covering a wide range of Industry Applications
- 10 New Products & Services Launches
- Digital Valves Diagnostics Live Demonstrations
- Solutions for the Chemical Industry, H2 & EV Batteries
- 2 Speaker Corners

German Track

- German Speaking Users Presentations
- "Meet the German Experts" at the Expo
- Focus on Namur Standards for the Chemical Industry
- Outside Visit of the Sempell Manufacturing Site

Training Sessions: Control Valves, Isolation Valves & Actuators

- Control Valve Engineering & Technician
- Digital Valve Controller Calibration
- Minimize Fugitive Emissions for Isolation Valves
- Biffi Actuators
