# Cooper-Atkins A Longtime Leader in Foodservice Markets

### Headquarters

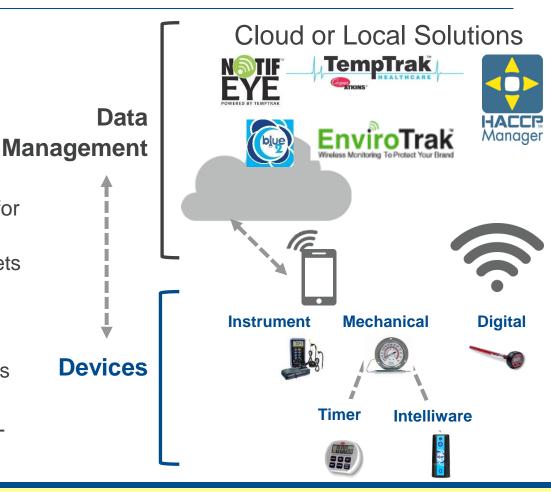

Middlefield, CT

#### **Employees**

150

#### **Description**

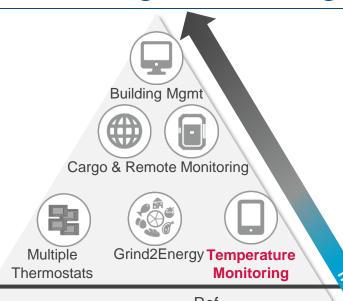

- Comprehensive offering of temperature management and monitoring products for uses primarily in:
  - ✓ Food safety: Restaurants, supermarkets and anywhere food is handled, prepared and stored
  - ✓ <u>Pharmaceutical safety:</u> temperaturesensitive inventories and environments
- Their solutions are modernizing quality management utilizing mobile and cloudbased compliance tracking systems

Cooper-Atkins Strongly Complements Emerson's Global Cold Chain Business and ProAct™ Services Portfolio, Especially the Real-Time Perishable Cargo Tracking and Monitoring Services Created by the 2016 Acquisitions of Locus Traxx and PakSense

## Broadens Emerson's Automatic and Digital Technologies for Temperature Monitoring and Management

IoT Capabilities Critical information to end users

### Control

Perform action on raw data

Compressor Controls

Drives

AC Controls

### **Leverage Domain** Knowledge

To provide integrated solutions
